About Us

Established in the year **1978**, we "**Sai Steelrange Storage Systems Pvt. Ltd.**" are among the prominent **manufacturers** of a comprehensive gamut of **Shelving Rack, Mobile Compactor Storage Systems, Metal Cabinets And Lockers, Industrial Lockers, Pallet Racks, Slotted Angle Rack, Regular Cupboards And Almirah, Filing Cabinets And Pedestal Drawer and much more.** We have been able to establish a firm foothold in the industry by offering products of unsurpassable quality. Our offerings are regarded for offering high utility to the customers, that too in a highly cost effective manner. By utilizing only premium quality materials and sophisticated technology in the manufacture of our products, we ensure that the desired quality standards are maintained. These products are subjected to quality tests based on multiple parameters and only those products that fare satisfactorily on all parameters are made available to the customers.

Since our establishment, we have been focused on providing optimum satisfaction to our customers. For that purpose, our professionals make sincere efforts to understand the exact requirements of the customers and devise ways to fulfill these requirements in the most cost effective manner. As a result, we have been able to garner a vast clientele for ourselves which boasts of **Reliance Infrastructure Limited, Bombay Rayon and Merck Specialties Private Limited.** Owing to our focus on maintaining long-term relationships ...
